

BASKETBALL

3 on 3

TOURNAMENT

**OFFICIAL 2023
RULEBOOK**

GENERAL INFORMATION

The General Information section applies to **all** Basketball Tournament participants.

PURPOSE

The Assemblies of God Youth Ministries Basketball Tournament is a discipleship tool of Assemblies of God Youth Ministries (AGYM) designed to help students discover, develop, and deploy their ministry gifts.

Although competitive elements are present, providing a competition venue is not the primary mission of the AG Youth Ministries Basketball Tournament. Through the basketball tournament, students are given the opportunity to work on their basketball skills, to develop good habits, to gain experience participating in the constructs of a team, and to be inspired to use their gifts in the local church, community, and around the world in ministry or secular vocation. The results of each game are not as important as how students are developed through the process by practicing, preparing, and participating in this unconventional ministry opportunity.

RULES AGREEMENT

Basketball Tournament participants must read and abide by this 2023 Basketball Tournament Rulebook. It is the responsibility of each participant to be familiar with the rules and procedures of this festival. No other person may be held responsible for a participant's lack of information.

By completing the basketball registration form and attending or participating in a tournament, pastors, leaders, parents, and students acknowledge that:

1. They have read, understood, and agreed to abide by the rules of this tournament.
2. They will accept the decisions of the referees and coordinators as final.
3. They will not hold AG Youth Ministries, district youth directors, nor its respective officers and staff responsible for any injury as a result of their (or their child's) participation in the tournament.

BASKETBALL PARTICIPANT REQUIREMENTS

Participating students must be enrolled in grades 6–12 as of September 1, 2023.

Note: 19-year-old students may not participate in AG Basketball unless they are enrolled in grades 6–12 as of September 1, 2023. Students who qualify for the tournament by grade and district advancement may participate at the tournament even if they turn 19 before/during August 2023.

BOY/GIRL JR. AND BOY/GIRL SR. DIVISIONS

Divisions designated as **JR.** are open to players enrolled in grades 6–8 during the 2023–2024 school year. Boys' and girls' divisions are separate.

Divisions designated as **SR.** are open to players enrolled in grades 9–12 during the 2023–2024 school year. Boys' and girls' divisions are separate.

BASKETBALL TOURNAMENT

COURT AND BALL

Each game of 3x3 will be played on a half court with one basket. We will do our best to make sure the court will be equivalent to half of a High School regulation basketball court. Present on every court will be an orange taped area known as the “check line”. This area will be utilized to check the ball before the start of every change of possession. The check line will be located at the top of the key, roughly six feet above the arc.

The size of ball used will be as followed:

- Both Middle School & High School Girls: Size 6 or 28.5”
- Both Middle School & High School Boys: Size 7 or 29.5”

Game balls will be provided. Teams will not be permitted to use their own basketball.

TEAMS

Each team will consist of no more than 4 players. Every game must start with 3 players on the court with 1 substitute allowed on the bench. Each team is allowed to have 1 adult coach on their bench as well as 1 student coach on their bench.

Players are not to interact with any “spectator coaches” in the stands at any time during the game. One warning will be given by the referee and any additional interactions will result in technical fouls.

The team on the top line of the bracket will be the home team of each game. The home team will wear the lighter color jersey during play.

GAME OFFICIALS

Each game will be managed by 1 on court referee, 1 time/score keeper and 1 court manager.

BEGINNING OF THE GAME

Each game will begin as followed:

1. The court referee will meet with 1 team captain from each team at the free throw line. A coin flip will determine which team gets the first possession. The home team (team on the top line of the bracket) will make the call before the flip. The team that wins the coin flip can either choose to benefit from the ball possession at the beginning of the game or at the beginning of a potential overtime.
2. Each game must begin with 3 players on the court. If 3 players aren't on the court ready to play after 2 minutes of the declared start time by the Court Manager, the game is forfeited and the team that was ready automatically wins.
3. If the substitute (4th player) is not present at the beginning of the game, the game may start as long as 3 players are ready. The 4th player may join the team at any moment during the game.

SCORING

Each game will be scored in the following manner:

1. Every shot made inside the 2-point arc will be awarded 1 point. (This includes shots made with any part of the foot touching the 2-point line).
2. Every shot made behind the 2-point line (with no foot touching the line) will be awarded 2 points.
3. Every free throw shot made will be awarded 1 point. (No part of the foot may touch or cross the free throw line).

PLAYING TIME & WINNER OF THE GAME

Each game will be played as followed:

1. There will be one period of 10 minutes playing time.
2. The game will be played with a running clock except for the final minute of the game.
3. During the final minute of the game the clock will stop during dead ball situations and free throws. The clock will start after the exchange of the ball is completed (as soon as it is in the offensive team's hands). During free throws, the clock will be stopped and will not start until either:
 - a. Made free throws results in change of position and is completed (as soon as it is in the offensive team's hands).
 - b. Missed free throw is touched by either team (clock will resume upon touch).
4. The first team to score 12 points or more wins the game if it happens before the end of regular playing time. This rule applies to regular playing time only, not in a potential overtime.
5. At the end of regular playing time, if the score is tied, an extra period will be played. There will be a 1 minute break before overtime starts. The overtime period will begin with the ball given to the team who did not begin the regular play time with the ball. Overtime will be played with one more minute on the clock. The first team to score 2 points or maintain the lead at the end of the one minute overtime period will be declared the winner.
6. A team will lose by default if:
 - a. 3 players aren't on the court ready to play after 2 minutes of the declared start time by the Court Manager, the game is forfeited and the team that was ready automatically wins.
 - b. A team leaves the court before the end of regular playing time.
 - c. A team only has 2 players remaining due to injuries and/or disqualification as the result of fouling out or unsportsmanlike etiquette. (In case of a forfeit, the game score is marked with a "w" standing for win).
7. A team who forfeits or is disqualified due to court etiquette will automatically be removed from the tournament.

FOULS AND FREE THROWS

1. Each player is allowed 3 fouls maximum. Once a player commits 3 fouls they have fouled out of the game and are no longer eligible for play.
2. Each team will enter into bonus shots after the other team has committed 5 team fouls.
3. A player who commits a flagrant foul or receives a technical is automatically ejected for the game. The court manager, referee supervisor and tournament coordinators will decide if the player will be disqualified for the remainder of the tournament.
4. A team gets 1 bonus free throw for team fouls 5 and 6. A team gets 2 bonus free throws for team fouls 7 and 8.
 - a. The 9th team foul and any subsequent team foul as well as technical and flagrant fouls will be awarded 2 free throws and ball possession.
 - b. Ball possession will occur after the last free throw derived from team fouls 9+, technical and flagrant fouls. The game will continue with an exchange of the ball behind the arc at the top of the court.
5. Fouls committed during the act of shooting will result in free throws. The act of shooting inside the arc will be awarded 1 free throw. The act of shooting behind the arc will be awarded 2 free throws.
6. Fouls committed during the act of shooting followed by a made basket will result in the basket scored plus 1 additional free throw.
7. Offensive fouls will result in the individual player receiving a personal foul and the team losing possession. No free throws will be given due to an offensive foul.
 - a. An offensive flagrant or technical foul will still be treated the same as any flagrant or technical foul (2 free throws plus ball possession).

HOW THE BALL IS PLAYED

1. Following each made basket or the last made free throw, the ball will be played as follows:
 - a. A player from the non-scoring team will be allowed to resume the game by dribbling or passing the ball from underneath the basket out to the check line at the top of the court.
 - b. The defensive team is not allowed to play the ball during the change of possession procedure. Failure to allow the opposing team to clear the ball to the check line will result in a team warning first followed by a team foul for any subsequent violation.
2. Following each missed basket, including free throws the ball will be played as followed:
 - a. If the offensive team rebounds the ball it may continue to attempt to score without clearing the ball past the check line.
 - b. If the defensive team rebounds or steals the ball it must clear the ball behind the check line by passing to a teammate or dribbling. The new defensive team cannot play the ball until it is completely cleared behind the check line.
 - c. On free throws, players may not enter the free throw lane until the ball makes contact with the rim. If the shot does not hit the rim, it will result in a dead ball with a change of possession behind the check line.
3. Possession of the ball given to either team after any dead ball situation will start with a check ball (between the offensive and defensive player) behind the check line.
4. A player is considered to be behind the check line when neither of his/her feet are inside or stepping on it.
 - a. In the event that the ball is not successfully cleared behind the check line, the referee will stop the game and give 1 warning to each team that it should occur.
 - b. Any subsequent violation of not properly clearing the ball behind the check line will result in a turnover of possession.
5. In the event of a jump ball, the ball shall be rewarded to the direction of the possession arrow, located at the scorers table.

SUBSTITUTIONS

All substitutions can be done during any dead ball situation. The player inactive off the court must be at the score/time table prior to the check-ball. The substitute can enter the game upon the referee's whistle and hand motion of approval to come on the court. The substitutions must take place behind the end line opposite the basket.

TIME-OUTS

Each team will be allowed one 30 second timeout.

1. A time out can be called by either team during a dead ball situation.
2. A time out can be called by the offensive team with clear possession of the ball.
3. A time out cannot be called by the defensive team while the ball is in live play.

PROTEST PROCEDURE

If a team believes its interests have been adversely affected by an error in scorekeeping or clock management, during a game, it must proceed in the following manner:

1. The coach and only the coach (no players or spectators) will discuss their protest with the court referee and court manager together.
2. If the court referee and court manager cannot make an official call, they will take it to the referee supervisor and/or the rules manager, assistant tournament director and tournament director.
3. No protesting can be done to contest a call made by the referee.
4. No video footage can be used during a protest procedure.
5. Any protest that is successfully made will result in corrective action by the court manager and referee supervisor.

TOURNAMENT BRACKET AND DOUBLE ELIMINATION*

This 3x3 tournament will be run in a double elimination format and will be organized by the bracketology manager using a software system. Every team will play 2 games minimum with the potential of going further in the tournament based on wins.
